Dear Beavis and Butt-Head,

Hey Monkey Spanks! I think that one chick who talks to you all the time, likes one of you. Daria, she always seems to find a reason to be around both of you. She's cool, but she wears too many clothes. She should at least wear shorts like you do. Maybe you two should have some lingerie catalogs sent to Daria's house. Then she can get a black lace teddy or something more kinky, that shows off her thingies. That would rule, but if she got naked, She would be too hot to handle then. Think about that, dudes! Then go give Daria a pinch on her butt for me.

P.S I have no butt size.

Drool on, guys.

Dear Beavis and Butt-Head
You guys are a bunch of Fart Knockers. But you're the only Fart knockers that doesn't suck. Uh, did that make sense? Are you guys ever going to try to score with Daria Morgandorffer, or what ever her name is? Well, until you bungholes split up, I'll keep reading.
